

Société Française pour l'Etude des Toxines

e-RT27 – 27th Meeting of the French Society of Toxinology
December 9-10, 2021
Virtual Meeting

“Toxins: Mr Hyde or Dr Jekyll?”

Second announcement – Sponsorship opportunities

SCIENTIFIC COMMITTEE: The SFET Board of Directors

Julien Barbier (CEA, Service d'Ingénierie Moléculaire pour la Santé, Gif-sur-Yvette).

Evelyne Benoit (CEA/CNRS, Service d'Ingénierie Moléculaire pour la Santé, Gif-sur-Yvette) - *President.*

Alexandre Chenal (Institut Pasteur, Biochimie des Interactions Macromoléculaires, Paris).

Michel De Waard (Institut du thorax, Nantes).

Sylvie Diochot (Institut de Pharmacologie Moléculaire et Cellulaire, Sophia-Antipolis).

Sébastien Dutertre (Institut des Biomolécule Max Mousseron, Montpellier) - *Secretary.*

Daniel Ladant (Institut Pasteur, Biochimie des Interactions Macromoléculaires, Paris).

Christian Legros (University of Angers, Angers), *Treasurer.*

Pascale Marchot (CNRS/Aix-Marseille Univ, laboratoire Architecture et Fonction des Macromolécules Biologiques, Marseille).

Michel P. Popoff (Institut Pasteur, Unité des Bactéries anaérobies et Toxines, Paris).

Gilles Prévost (Institut de Bactériologie, Université de Strasbourg, Strasbourg).

Loïc Quinton (University of Liège, Belgium) - *Sponsor contact.*

INFORMATION

The meeting will be held **on a fully virtual format on the 9th and 10th of December 2021.**

The names of renowned invited and selected speakers are listed on the exciting **program** (<http://sfet.asso.fr/programme-e-rt27.html>). The committee expects a large attendance, due to the absence of economical and time constraints for traveling and housing.

Early-bird registration fees have been reduced for non-members and members and waived for the SFET students: <http://sfet.asso.fr/international/e-rt27-registration.html>

To become a SFET member or renew your membership go to:

<http://sfet.asso.fr/international/membership-form.html>

SPONSORSHIP OPPORTUNITIES

€ 250 ≤ COPPER PACKAGE < € 500

- When partners are available to talk, they provide a button linked to Zoom or Teams and shows their availabilities.

PROMOTION OF THE MEETING

The e-RT27 is promoted through:

- Announcement of the meeting on **the Toxins website** (MDPI group).
- Links on the **websites of the main French Scientific Societies, of the Science ministry and of several research institutes** (CNRS-INSB, INSERM, Institut Pasteur, IFREMER, MNHN, CEA, INRAE...).
- **News and letters** published in local journals of the main research organizations (CNRS-INSB, INSERM, Institut Pasteur, IFREMER, MNHN, CEA ...) or in national and international journals (Biofutur, *Toxicon*, Letter of the International Society for Toxinology...).

SPECIAL ISSUE IN TOXINS - MDPI

Through the SFET collaboration with *Toxins* (ISSN 2072-6651),

A special issue “Toxins: Mr Hyde or Dr Jekyll?” is now open for manuscript submission:

https://www.mdpi.com/journal/toxins/special_issues/toxins_Hyde
