

18th Meeting on Toxinology

Paris (Pasteur Institute)
December 13th – 14th, 2010

We are pleased to invite you to the 18th Meeting on Toxinology organized by the French Society of Toxinology (SFET¹) that will be held on December 13th-14th, 2010 in Paris (Pasteur Institute, Conferences Center). This year, the meeting will be focussed on : **“Advances and new technologies in Toxinology”**.

Invited Speakers

Marc Baldus (Bijvoet Center for Biomolecular Research, Utrecht University, The Netherlands)

Daniel Bertrand (CMU/ Dpt NEUF, Genève, Switzerland)

Pascale Cossart (Institut Pasteur, Paris, France)

Philippe Hess (Ifremer, Nantes, France)

Christian Legros (UFR Sciences, Université d'Angers, France)

Kim Orth (UT Southwestern Medical Center, Dallas, USA)

Tim Stockwell (J. Craig Venter Institute, Rockville, USA)

Philippe Thullier (Centre de Recherche du Service de Santé des Armées, La Tronche, France)

The official language is English. Nevertheless, some presentations in French may be accepted if all the informations are indicated in English on the slides and posters.

Communications from young scientists (PhD, post-docs...) are strongly encouraged.

CALL FOR COMMUNICATION

You are invited to propose an oral communication or a poster in the central theme of the meeting, as well as in other toxinology fields. In that goal, you have to send an abstract of no more than one page (see page 2) to the SFET secretary (Julien.BARBIER@cea.fr) **June 15th 2010**, except if you have previously submitted a manuscript for publication in the 2010 e-book (see below).

CALL FOR PUBLICATION

Since last year, and after seven books of the series « Rencontres en Toxinologie » edited by the SFET, the society has decided to publish e-books. Please, consult the 2008 and 2009 e-books accessible from the SFET WEB site : <http://sfet.asso.fr/international/e-book-rt/e-book-rt.html>. The 2010 e-book will be available on line, free of charges, at the beginning of the meeting.

All of you are invited to submit an article and, to this purpose, to send before **May 15th 2010** a short abstract (see page 3) to the Editing Committee (benoit@inaf.cnrs-gif.fr). The abstracts will be examined by the Editing Committee. The manuscript corresponding to a selected abstract must be sent before **July 31st 2010**, to be examined by two referees.
